

a pearl kind of girl

M&M Cookies

1/2 cup softened butter
1 cup brown sugar
3 tablespoons granulated sugar
1 egg
2 teaspoons vanilla extract

1/2 teaspoon baking soda
1/2 teaspoon baking powder
1/2 teaspoon salt
1 3/4 cups flour
1 bag Regular M&M's

Cream the butter with sugar until fluffy.

Beat in the egg and vanilla extract.

Combine and sift all dry ingredients, then beat into the butter mixture.

Use a cookie scoop to place dough on cookie sheet about an inch apart.

Place 6 M&M's on each cookie in a flower pattern.

Bake at 375 degrees for 8-10 minutes. I use a convection oven, and they are done in 8 minutes.

Makes about 2 dozen cookies.
